

ATTACHÉ CASE COMBINATION BAR LOCK OPERATING INSTRUCTIONS

Note: Remove and discard the red plastic insert from the dials.

The locks are set at the factory to open at **0-0-0**.

To set your own combination:

With the **Button (2)** in the Normal position set the **Dials (1)** to the current combination.

Slide the **Button (2)** toward the **Dials (1)** and hold it in this Change Combination Position until the next step is performed.

Set the **Dials (1)** to your new combination. Choose digits that you will remember easily (address, phone number, birthday, etc.)

DO NOT FORGET YOUR NEW COMBINATION!

Release the **Button (2)** to set your new combination.

CAUTION!

Never rotate the **Dials (1)** with the **Button (2)** in the Change Combination Position unless you make careful note of the **Dial (1)** settings upon release of the **Button (2)**.

The manufacturer is not responsible for damage resulting from misuse, abusive handling or failure to follow instructions.
